

September 26, 2011

Dear Director,

You know that a high quality childcare program requires highly qualified staff whose skills are constantly upgraded through rigorous professional development.

As part of our commitment to support you in your mission to best prepare every child for success in school and life, we are sponsoring an educational evening for all childcare professionals. This program will be held on Thursday, November 17, 2011, from 6 to 8 pm at the Unitarian Universalist Congregation at Shelter Rock, 48 Shelter Rock Road in Manhasset. A light supper will be served, followed by the workshop "Minimizing Wait Time, Frustration, and Other Factors that Lead to Challenging Behaviors."

A speaker of the highest quality---Marnie Gavritsas, B.A, M.S. from the Training Center for Early Childhood Professionals will be conducting this workshop, full of practical ideas for managing your classroom and your students to achieve a happy classroom and happy kids. Marnie has experience as a teacher on the preschool and elementary level and as an early childhood director and trainer.

This is an opportunity for you and your staff to obtain 1.5 hours of NYSOCFS training –plus dinner—at a minimal cost.

The Great Neck/Manhasset Community Child Care Partnership is a nonprofit networking organization. Our goal is to promote the healthy growth and development of children and families by addressing early education, child care, and parenting issues.

Please distribute the enclosed flyer to your staff and encourage them to accompany you that night. Feel free to reproduce the flyer if you need more. Follow the directions to register by mail, fax, or email as soon as possible, as registrants will be taken on a first-come, first-served basis.

Sincerely,

Debbie Naclerio
Executive Director
